### MONTHLY HOUR CARDS

There's still too many of you forgetting to turn in your monthly hours into the JATC office. Do not delay your raise, get them turned in no

later than the 10th of the following month and be sure not to input hours during a holiday unless you actually worked them, *we are checking!!!*

### ATTITUDE

The longer I live, the more I realize the impact of attitude on life. Attitude, to me is more important than facts. It is more important than the past, than education, than money, than circumstance, than failures, than success, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company...a church.... a home. The re-

markable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change the past.... We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is to play on the one string we have, And that is our attitude.... I'm convinced that life is 10 % what happens to me and 90% how I react to it. And so it is with you.... We are in charge of our Attitudes.

### E-MAILS

If you have an e-mail address make sure it is current with us. We will be cutting back on mailings and using e-mail and Face Book.
