

JATC NEWS

SOUTHWEST WASHINGTON ELECTRICAL JATC

From the Director

SCHOOL NEWS

September brings the start of a new school year. All Inside, Low Voltage and Residential apprentices will be starting school this month. I would like to thank our instructors for their dedication to our IBEW/NECA Apprentices:

Scott Augustine, Barry Blackburn, John Boyer, Brent Eccles, Mikhal Frolov, Jake Harper, Cameron Leatham, Haley Masbruch, Josh McEwen, Jason Montgomery, Craig Prescott, Ryan Pritchard, Krysta Riche, Steve Thompson, Brian Yelovich

Contest

Nate Watts represented the SWWA JATC Inside Program at the Western States Electrical Contest in Portland on August 25th. 20 JATCs from 9 western states were represented. Nate did a great job, taking 1st place in the Motor Control Written Schematic event. It is a very competitive contest, and winning anything is a huge achievement. Congratulations Nate!

Committee

Chairman Mike Doyle stepped down from his position on the JATC. I would like to thank Mike for his 30 years of service to the apprenticeship, and wish him and his wife Bonnie a long happy retirement.

Dan Newton was unanimously elected as Chair of the SWWA JATC. Dan is head of Sound Energy Systems, and is a long time member of the Committee. Before moving into management, Dan completed his Inside Wire Apprenticeship at the very JATC he now chairs. Thank you Dan for taking on this new role.

Make-up class

Make-up class is scheduled for September 22nd at 8am. If you owe missed class hours plan on being there. Wear work clothes!

EEO

The JATC is looking to increase the number of females and minorities in our program. Please encourage people you may know from these groups to apply if you feel they will be an asset to the apprenticeship.
